

## Elective Choice Form

MSW students work with their advisors to choose electives that reflect their individual professional interests and goals. Electives can be taken in Social Work or another unit. All elective choices should be discussed with the student's faculty advisor *prior to* enrollment. Three approved electives are required of all Full Time and Part Time MSW students. Two electives are required of Advanced Standing MSW students. Graduate elective courses for credit toward the degree must be offered as graduate-level courses. An Elective Choice Form should be completed for each elective course.
