Revised-7/17/18
There are three important manuals that you need to review as a Master of Social Work Student: 1) MSW Program Manual; 2) Social Work Admission Handbook, and 3) Field Education Handbook.

**School of Social Work Vision and Mission**

Revised-7/17/18
Vision Statement

To foster optimal health and well-being, equal human rights, and a just society.

Mission Statement

To prepare future social work professionals for leadership in areas of culturally-informed, community-engaged practice, policy, and research, with a particular emphasis on persistent and emerging social problems in rapidly diversifying urban areas locally, nationally, and globally.

The MSW Program

The MSW program carries out the School’s vision and mission by grounding students in social work’s ecological framework. The program educates future social workers to think and work multisystemically – to keep a simultaneous focus on people, their social environments, and their reciprocal relationships, while actively influencing organizations, communities, and social policy to bring about a more just society. Students in the program also have an opportunity to develop areas of specialization through elective courses in the School of Social Work and other departments at UNC Charlotte.

Program Accreditation

UNC Charlotte’s MSW program was re-accredited by the Council on Social Work Education (CSWE) in 2016. The program is re-accredited through 2024.

History of the MSW Program

The University of North Carolina at Charlotte is North Carolina’s urban research university. It leverages its location in the state’s largest city to offer competitive programs of research and creative activity, exemplary undergraduate, graduate, and professional programs, and a focused set of community engagement initiatives.

UNC Charlotte’s MSW program began in 2000. In its first decade, the MSW program has begun to achieve national prominence. In 2014, UNC Charlotte’s Department of Social Work conducted an analysis of its program in comparison to UNC Charlotte peer institutions and other BSW and MSW programs in North Carolina. The analysis found that faculty research productivity outranked departments in peer institutions. Based on its findings, the Department of Social Work formally proposed a name change to “School of Social Work” in February 2014. In the latest opinion polling by *U.S. News and World Report* (2018), UNC Charlotte’s MSW program ranks
Revised-7/17/18

#54, which places it in the top 25% of all MSW programs. It is the highest ranked MSW program in the US without an affiliated social work doctoral program.

The UNC Charlotte Board of Governors unanimously approved the Department’s designation as a School of Social Work on September 25, 2014. The designation as a School of Social Work opened the next chapter in our history, one in which our teaching, research, and service position faculty and students for engaged leadership in the University, the Charlotte region, the state, and the country.

**Educational Objectives and Curriculum**

Educational objectives for the MSW program are directly aligned with the Council on Social Work Education’s 2015 Educational Policy and Accreditation Standards (EPAS). There are two levels of curriculum: Foundation and Advanced.

**Foundation Curriculum**

The Foundation Curriculum is designed to promote knowledge, values, skills, and critical thinking skills required for the practice of social work. The Foundation Curriculum addresses the nine social work competencies from 2015 EPAS. These include:

- Competency 1: Demonstrate Ethical and Professional Behavior
- Competency 2: Engage Diversity and Difference in Practice
- Competency 3: Advance Human Rights and Social, Economic, and Environmental Justice
- Competency 4: Engage in Practice-informed Research and Research-informed Practice
- Competency 5: Engage in Policy Practice
- Competency 6: Engage with Individuals, Families, Groups, Organizations, and Communities
- Competency 7: Assess Individuals, Families, Groups, Organizations, and Communities
- Competency 8: Intervene with Individuals, Families, Groups, Organizations, and Communities
- Competency 9: Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities

For more information, on the 2015 accreditation standards, see the EPAS at [https://www.cswe.org/getattachment/Accreditation/Accreditation-Process/2015EPAS/2015EPAS_Web_FINAL.pdf.aspx](https://www.cswe.org/getattachment/Accreditation/Accreditation-Process/2015EPAS/2015EPAS_Web_FINAL.pdf.aspx)

The Foundation Curriculum consists of nine (9) courses that are offered in the beginning of the course sequence. In the Foundation Curriculum, students spend 16 hours in a field practicum each semester. Foundation courses are listed below.
Foundation Courses

SOWK 6121 Social Work Practice Theories and Skills (3)
SOWK 6131 Social Work Research (3)

The Advanced Curriculum also addresses 2015 EPAS competencies. The Advanced Curriculum consists of seven (7) courses, which include an advanced level practicum requiring 16 hours weekly for two semesters. Students are expected to apply skills learned in the Foundation curriculum to the Advanced curriculum.

Collaboration

Students can enroll in elective courses at UNC Charlotte or in graduate courses in other accredited institutions (including online). All electives that are not on the list of Pre-Approved Electives require the approval of the student’s advisor prior to enrollment in the course. If the student enrolls in a course without prior approval, the student risks receiving no credit for the course. In addition, for courses taken outside of UNC Charlotte:

- The course must be offered for Graduate credit as defined by the institution where it is completed.
- If a course is taken outside UNC Charlotte, the student is responsible for getting credit transferred to UNC Charlotte toward the MSW.
- A maximum of six (6) credits can be transferred into UNC Charlotte toward a graduate degree. See the sections in this manual on Transfer of Credit and Post-Baccalaureate Credit for more information.

Summer electives

Students in the full-time and part-time programs are allowed to move one or more of their electives to a summer session if desired. Advanced standing students already take an overload of credits during the summer, so they are not allowed to add an additional course to their summer course load.

Registration

Revised-7/17/18
Students are responsible for registering for their required and elective courses through the online portal, My UNC Charlotte. Registration dates for each semester are published in the UNC Charlotte Academic Calendar. Students are issued permits to sections of their required courses. Once notified of the sections for which they have been permitted, it is their responsibility to register for them. Students are guaranteed a seat in all courses required to progress through their plan of study. The courses may/may not be held at times convenient for the student’s schedule or taught by a particular instructor.

MSW Curriculum & Plans of Study

The MSW curriculum promotes its mission and goals through the Foundation curriculum and the Advanced curriculum. The Foundation curriculum prepares students to apply generalist social work knowledge, skills, and values. The Advanced curriculum prepares students for more specialized application of the profession’s knowledge, skills, and values. All graduate students at UNC Charlotte must have a culminating learning experience before graduation to earn their degrees. This could include a thesis, a comprehensive examination, or a capstone course that covers a range of knowledge and skill developed in the program. For the MSW Program, all student must successfully complete the course SOWK 7651 Reflection and Synthesis, which serves as the capstone course for the MSW Program.

The MSW degree may be pursued through the Full Time (two years), Part Time (three years), or Advanced Standing (one year) plans of study. Once admitted to a Plan of Study, a student cannot change to another Plan of Study. (For example, if admitted to the MSW Program as a Part Time student, you cannot change to the Full Time Plan of Study, and vice versa.)

Full Time Plan of Study (Two Years)

The Full Time MSW plan of study is designed for students to complete the MSW through two years of intensive study. The Foundation curriculum is completed during the first year of study and the Advanced curriculum is completed during the second year. Classes meet at the main university campus. Students complete a total of 62 graduate credits hours, which includes 48 credit hours in the classroom and 14 credits in an approved field placement. The Full Time plan of study is outlined below.

Part Time Plan of Study (Three Years)

The Part Time MSW plan of study is designed for students who wish to complete an MSW but cannot attend graduate school full time. The Part Time MSW can be completed in three years. Student takes the same courses as students in the Full Time plan of study. They complete 62 graduate credits hours, which includes 48 credit hours in the classroom and 14 credits in an approved field placement.

The Part Time plan of study is offered as a hybrid model. Classes alternate between meetings on Saturday at the UNC Charlotte Center City Building and online classes. Online classes are offered asynchronously, meaning students do not have to log in at the same time. They can complete assignments when it is convenient for them as long as they are completed by their due date.
The Foundation curriculum is completed during the first year. Students begin with two courses in the Summer Session, which begins in May. During the Fall and Spring semesters, students continue to take two courses through hybrid (Saturday and online) classes, and also complete the Foundation field placement during other days of the week. The field placement requires a total of 16 hours per week on site at a social work services agency under the supervision of someone with an MSW. During the next Extended Summer Session, students take one course to complete the Foundation curriculum.

The Advanced curriculum is completed over two years, which includes two Fall semesters, two Spring semesters, and one Extended Summer Session. During the Advanced curriculum, students continue to take courses through hybrid (Saturday and online) classes. They complete an Advanced field placement during other days of the week. The field placement requires a total of 16 hours per week on site at a social work services agency under the supervision of someone with an MSW degree, in addition to professional development activities assigned by the field seminar liaison. In the final Extended Summer Session, students take an elective course that reflects their professional interests. In the final Fall and Spring, students complete their required Advanced curriculum courses. The Part Time plan of study is outlined below.

Advanced Standing Plan of Study (One Year)

The Advanced Standing plan of study is designed for students who have earned a BSW from an accredited social work program within the past seven years and wish to pursue the MSW. Advanced Standing students are not required to complete the Foundation curriculum for the MSW. Under the Advanced Standing plan of study, the MSW can be completed in one calendar year. Students complete 41 graduate credits hours, which includes 33 credit hours in the classroom and 8 credits in an approved field placement.

Classes begin during Extended Summer Session and meet on the main university campus for 10 weeks in the summer months. In Summer, Advanced Standing students complete 9 hours of graduate level work designed to bridge the gap between their BSW curriculum and the Advanced MSW curriculum. In the Fall and Spring semesters, students complete the Advanced curriculum along with students completing the Full Time plan of study. The Advanced Standing plan of study is outlined below.

*Electives – MSW students consultwork with their advisors to choose graduate-level electives that reflect their individual professional interests and goals. Electives at UNC Charlotte that are listed on the Pre-Approved Electives list (see section of this handbook entitled Elective Courses) can be taken without advisor approval. All UNC Charlotte School of Social Work graduate level electives do not require advisor pre-approval. Electives taken in other UNC Charlotte graduate programs or at other institutions must be approved by the student’s advisor. Electives may be from any academic discipline but must relate to the School of Social Work’s mission to work with vulnerable populations.

Graduate School Catalog Descriptions of MSW Program Courses

MSW Courses Graduate School Catalog

Graduate School Academic Policies

Complete policies and procedures such as degree requirements, transfer credits, and grading can be found in the current UNC Charlotte Graduate Catalog. A copy of this catalog may be obtained from the Graduate School or online at: http://graduateschool.uncc.edu/current-students/catalog. It is the student’s responsibility to be familiar with the content of the Graduate Catalog. The following is a brief description of some important policies.
Minimum Hours and Quality

All Full-Time and Part Time students are expected to satisfactorily complete requirements for the degree. The MSW requires a minimum of 62 semester hours (Advanced Standing Program complete a minimum of 41 semester hours) of approved courses, with an overall GPA of at least 3.0. Grades in all courses attempted will remain on the transcript and will be included in the calculation of the student’s GPA as it is reported on the transcript, with the exception of a W grade.

Grading Policies and Grade Point Averages

Complete information regarding grading policies, grades, credits, and obtaining transcripts is provided in the "Academic Regulations and Degree Requirements" section of the Graduate School Catalog, available at http://graduateschool.uncc.edu/current-students/catalog. Grades for graduate students are as follows:

The grade point average for a graduate student is based only on those courses in his/her approved program of study taken at UNC Charlotte. It is determined by multiplying the number of grade points for each grade (A=4, B=3, C=2, U=0) by the number of semester hours credit received in that course, adding all accumulated grade points together, and then dividing by the total number of semester hours the student has attempted (except those for which the student received a grade of I, IP, W, P, N, AU, or NR). When a course not listed as "May be repeated for credit" is repeated, no additional credit hours accrue and the hours earned and grade points of the previous grade are replaced by those of the current grade. Graduate students must have a cumulative 3.0 GPA to graduate.
I (Incomplete) Grades

The grade of I is assigned at the discretion of the course instructor when a student who is otherwise passing has not, due to circumstances beyond his/her control, completed all the work in the course. A grade of I is not appropriate for a student who is presently failing and needs more time to raise their grade in order to pass the course. The missing work must be completed and the final grade reported within a maximum of one calendar year from the date on which the I grade was recorded. The instructor assigning the I grade may specify a shorter time frame to complete the work. If the I is not removed, a grade of U is automatically assigned. Time extensions for the completion of an I grade beyond one year cannot be approved except by special request to the Graduate School and under extraordinary circumstances. The grade of I cannot be removed by enrolling again in the same course. (Note: An I grade will not be assigned for a student who has never attended a class, has quit attending a class, or is failing.)

Grades and Academic Standing

An accumulation of three final course grades of C or ANY final course grade of U (Unsatisfactory) will result in automatic suspension from the UNC Charlotte Graduate School and the MSW program. This is Graduate School policy. A graduate student whose enrollment has been terminated because of grades is ineligible to attend any semester or the summer session in any UNC Charlotte course unless properly reinstated through the appeal process at The Graduate School.

Graduate students must be continuously enrolled (does not include summer). If students need a break in their course progression, they must complete an academic petition for a leave of absence. See The Graduate School policies.

Time Limits to Degree

Candidates must complete all requirements for a master's degree, including accepted transferred credit, within six years of the end of the first semester in which they registered in the Graduate School. If transfer courses are accepted, the six-year calendar begins on the date the transferred course completed. Courses that exceed this time limit must be revalidated or retaken, whichever the graduate program decides is necessary, if they are to be included in the degree program. Courses taken at other institutions are not eligible for revalidation.

Accommodations for Disabilities

No otherwise qualified student shall, on the basis of disability, be subjected to discrimination or excluded from participation in the School of Social Work. A student with a disability may be protected by the Americans with Disabilities Act (ADA) and
be eligible for a reasonable accommodation to provide equal opportunity to meet academic criteria for professional behavior and scholastic performance. Any otherwise qualified student with a protected disability who requests a reasonable accommodation must notify the UNC Charlotte Office of Disability Services and provide documentation as needed. The Office of Disability Services will work with the faculty member(s) on how to accommodate the student. If the student has questions about disability-related policy, the Office of Disability website can be found at http://legal.uncc.edu/policies/ps-51.html. Their office is located at Fretwell 230. The phone number is 704-687-4355 (voice/TDD).

School of Social Work Academic Policies

The following is a description of academic policies specific to the School of Social Work MSW program. These policies apply in addition to graduate school policies.

Course Substitution Policy

MSW students may request that certain required courses be substituted with another graduate level course if they meet specific guidelines. The following courses in the Foundation curriculum are eligible for a course substitution: Social Work Practice: Theories and Skills (SOWK 6121); Social Work Research (SOWK 6131); Foundations of Social Work (SOWK 6141); and Social Work, Social Justice, & Diversity (SOWK 6151). Courses can be substituted only if the following guidelines are met:

- The student earned course credit from a CSWE-accredited social work program within seven years of the semester in which the waiver is requested.
- A course syllabus is provided for each course for which a substitution is requested. The syllabus must indicate that the course reflects the same content as one of the courses eligible for substitution (SOWK 6121, 6131, 6141, and 6151) at the graduate level.
- The student received a grade of “A” in the course being proposed for substitution.

If each of these criteria are met, the approval procedure for a course substitution is as follows:

1. A copy of the course syllabus for each course is provided to the MSW Program Director, along with a proposal for a graduate course substitute from a current course schedule.
2. The MSW Program Director reviews the course syllabus and the student’s transcript (to verify the course was completed and that the student received an “A”).

Revised-7/17/18
3. For each course, the student or the MSW Program Director submits a request for a course substitution using the Graduate Academic Petition system at https://gpetition.uncc.edu/login

4. The Graduate Academic Petition is forwarded to the Graduate School and University Registrar for approval. The substitution is only approved when the Graduate School and University Registrar approve.

Transfer of Credits

“Transfer of credit” refers to graduate course credits earned at UNC Charlotte or another institution either before or after admission to the MSW program. The MSW program, following UNC Charlotte Graduate School policy, will accept a maximum of six (6) semester hours of transfer credit toward a master’s degree. Students cannot transfer credit for courses that counted toward another completed graduate or certificate degree. The UNC Charlotte Graduate School also requires that transferred courses be no more than six years old at the time of the student’s graduation (not acceptance into the program). Transfer credit will only be granted for courses taken at an accredited university. Students who are enrolled in the MSW program who choose to take an off-campus course for transfer credit are strongly encouraged to discuss the off-campus course with their academic advisor before they enroll. Credits for Field Seminar cannot be transferred. The MSW program does not give credit for previous work or life experiences.

The approval process for a course transfer is as follows:

1. A transcript showing the student has complete the course is forwarded to the MSW Program Director from the institution where the course was completed.
2. A copy of the course syllabus for each course is provided to the MSW Program Director.
3. The MSW Program Director reviews the course syllabus and the student’s transcript to verify the course was completed successfully and was taken for Graduate credit at an accredited institution.
4. For each course, the student or the MSW Program Director submits a request for a transfer of credit using the Graduate Academic Petition system at https://gpetition.uncc.edu/login
5. The Graduate Academic Petition is forwarded to the Graduate School and University Registrar for approval. The transfer of credit is only approved when the Graduate School and University Registrar approve.

Post-Baccalaureate Policies

Revised-7/17/18
Admission to MSW Courses for Non-Degree Students
Non-degree students with an interest in social work graduate education are welcome to apply for course admission to certain courses if they meet certain conditions. The conditions are:

- The individual must be accepted by UNC Charlotte’s Graduate School as a post-baccalaureate student. The Graduate School accepts post-baccalaureate applications from individuals with an undergraduate degree whose overall undergraduate GPA is 2.75 or higher. Students can apply to become a post-baccalaureate student by going to http://gradadmissions.uncc.edu and clicking the Apply button.
- The post-baccalaureate student can only register for courses after all MSW degree students who need the course for graduation have registered. This requires the permission of the MSW Program Director.
- The post-baccalaureate student can only register for courses that do not have a course prerequisite.

The post-baccalaureate student is welcome to apply to the MSW program; however, completing graduate social work courses as a post-baccalaureate student does not guarantee admission to the MSW program, even if the student does well in courses as a post-baccalaureate student.

Post-Baccalaureate Credit
For students who enter the MSW program, six hours of graduate credit earned as a post-baccalaureate student can be transferred as credit toward the MSW as the discretion of the MSW Program Director. Post-baccalaureate courses taken at UNC Charlotte are only eligible for transfer toward the degree if they will be less than six years old at the time of the student’s graduation date (not acceptance into the program). Transfer credit will only be granted for courses taken at an accredited university. Students are strongly encouraged to discuss post-baccalaureate course transfer with their the MSW Program Director.

Field Practicum Grades

Failure to maintain a grade of A or B in field placement in any semester will result in a formal review by the School of Social Work. If students earn a final course grade of C in SOWK 6441 Foundation Social Work Practicum I, SOWK 6442 Foundation Social Work Practicum II, or SOWK 7443 Advanced Social Work Placement I, the student must repeat the course. The student will not be allowed to proceed to the next practicum course in the sequence until the student receives a final course grade of A or B. See Field Education Manual.

Cohort Use of Social Media Sites
Historically, MSW student cohorts have developed social media pages to stay abreast of volunteer opportunities, student organization updates, and events. These sites are solely maintained and created by students. The School of Social Work does not provide any oversight of these sites. If students decide to utilize these sites to maintain communication within their cohort, they are advised to ensure that the content of the site adheres to the NASW Code of Ethics and professionalism standards. Please do not utilize these sites to belittle students, speak negatively about instructors, or for any negative purposes.

**Academic Advising**

Students are assigned an MSW faculty advisor upon entering the program and usually retain that advisor for the full course of study. Changes in faculty and faculty work assignments may dictate a change in student advisors. Guidance for the student/advisor relationship is as follows:

1. Advisors are charged with assisting in monitoring their advisees’ readiness for professional practice.

2. Faculty are strongly encouraged to reach out to students assigned to them for advising. Students are strongly advised to arrange to meet with their assigned advisor each semester, especially during the first year, to support their progress in the program.

3. Advisors consult with students on the student’s choice of electives. Students can take electives from the list of Pre-Approved MSW electives, including any SOWK graduate-level elective, without approval of the advisor. Electives in another UNC Charlotte graduate program that are not listed, or those taken at other university must be approved by the advisor. Electives may be from any academic discipline but must relate to the School of Social Work’s mission to work with vulnerable populations.

4. Students may invite their advisors to Step I, Step II, or Step III support meetings.

5. Advisors are involved in nominating their advisees for special recognition and encouraging their students to participate as graduate students in public and professional arenas.

6. Withdrawals, leaves of absence, medical leaves, and terminations are coordinated by the student’s advisor in consultation with the MSW Program Director.

**University Supports**
In addition to academic advising, the following supports are available to graduate students at UNC Charlotte. Students are welcome to pursue these services at any time. Faculty and staff may refer students to these services for assistance, but a referral is not necessary to access services.

**Graduate & Professional Student Government (GPSG)**

The Graduate & Professional Student Government (GPSG) advocates for the interests of graduate students, provides a forum for free and open discussion of matters affecting graduate students, and provides some financial and organizational support for attending events within the campus community and in Charlotte.

Information about available services may be found at [http://legal.uncc.edu/policies/ps51.html](http://legal.uncc.edu/policies/ps51.html). Accommodations for learning will be arranged by that office and communicated to the Instructor. See the ODS website for more information.  [http://ds.uncc.edu/](http://ds.uncc.edu/)
Writing Resource Center

Social work relies on well-developed verbal comprehension skills and expressive communication skills. The MSW curriculum is writing intensive. Most classes have assignments of one major paper and/or several minor papers. Almost all paper assignments require students to use the publication style found in the *Publication Manual of the American Psychological Association*, 6th edition (2010). For students who want to improve their writing skills, UNC Charlotte has a Writing Resources Center staffed by graduate writing consultants who work with writers at all stages of the writing process: prewriting, focusing, organizing, revising, and editing. Programs include one-on-one and group consulting; online writing consultants for distance education students; classroom presentations; and library and internet research. The Writing Resource Center has dedicated hours for graduate students and also makes individual appointments to accommodate student schedules. Students can find the Writing Resources Center in Cameron Bldg., Room 149. The phone number is 704-687-1899 and email is wrchelp@uncc.edu http://writing.uncc.edu/writing-resources-center

School of Social Work Special Programs

North Carolina Child Welfare Education Collaborative

The North Carolina Child Welfare Education Collaborative (CWEC) includes specialized, in-depth training in child welfare knowledge, values, and best practices. The program was established in 1999 to improve public child welfare services in North Carolina and is administered by the Jordan Institute for Families at UNC Chapel Hill. More information about the Collaborative can be found at http://ssw.unc.edu/cwec/ or contact the CWEC UNC Charlotte campus liaison, Dr. Ticola Ross.

School Social Work Certification Credits

Graduates of the MSW program may also qualify for licensure as a school social worker in the state of North Carolina. The School Social Work license is awarded by the North Carolina Department of Public Instruction. To be eligible for school social work licensure, MSW students must complete a two-semester field placement in a school setting, take *SOWK 5102 School Social Work*, and take another course from a list of approved electives. Students interested in school social work licensure should begin planning with their advisors and the MSW Field Education Director as early in the program as possible. The School of Social Work’s Field Director, Dr. Ticola Ross, has additional information about school social work licensure. Information is also available at http://www.ncsswa.org.
Early Childhood Mental Health Certificate

The Early Childhood Mental Health (ECMH) Certificate is an interdisciplinary post-baccalaureate certificate program that addresses the increasing need for mental health services for children birth to five years of age. The certificate program welcomes professionals with an undergraduate or graduate degree in a human services field, including counseling, education, early childhood special education, pediatrics, allied health services (i.e., occupational therapy, physical therapy, speech-language pathology), psychology, and social work. Individuals who are currently enrolled in a human service-related graduate degree program at UNC Charlotte are also welcome to apply.

The ECMH Certificate is sponsored jointly by UNC Charlotte’s School of Social Work and Department of Special Education and Child Development. The certificate program requires a minimum of 15 graduate credit hours, including four core courses and one elective course. For more information about the program and eligibility requirements, contact the ECMH Certificate Director, Professor Amy Peters, or visit the certificate webpage at http://tinyurl.com/hot7f8p

Graduate Certificate in Gerontology

The Graduate Certificate Program in Gerontology is offered by the Department of Gerontology, which is housed within the School of Social Work. The Certificate was designed to provide supplementary graduate education in Gerontology for individuals with an interest in working with older adults who either have a graduate degree in another field or are currently enrolled in a graduate degree program at UNC Charlotte. The certificate program requires the completion of a minimum of 15 semester hours of graduate level coursework in core and elective courses related to the study of aging and older adults. MSW students who pursue the Graduate Certificate Program in Gerontology can use some required social work courses as credit toward the certificate before they graduate. The Graduate Certificate Program in Gerontology is administered by the Gerontology Program. More information about the graduate certificate can be found at http://gerontology.uncc.edu/graduate-programs

Note: UNC Charlotte offers a number of graduate certificates. For more information on offerings, visit http://gradcertificate.uncc.edu/certificate-programs

Post-Graduate Licensure Eligibility

Graduates of the MSW program are eligible to pursue North Carolina State Licensure or Certification at three levels: Licensed Clinical Social Worker, Certified Master
Social Worker, and Certified Social Work Manager. Graduates who are interested in providing clinical services to individuals, groups, and families often apply to be a Licensed Clinical Social Worker. In North Carolina, a license will only be issued to state residents who have passed a licensing examination and have two years of supervised post-MSW experience. Licensure or certification is managed by the North Carolina Certification Board for Social Work. The Board may be contacted via the web at http://www.ncswboard.org or phone at (800) 550-7009.

See the section above on School Social Work certification for more information on licensing in school social work.

**Student Participation in Academic Governance**

*Graduate and Professional Student Government*

The Graduate Social Work Association (GSWA) is a chartered affiliate of the UNC Charlotte Graduate and Professional Student Government (GPSG). The purpose of the association is to provide student support, promote research, and strengthen the graduate school in general. For further information on the GPSG, refer to the Graduate Student Association website at http://suar.orgsync.com/org/gpsguncc/home. Each year the graduate student body elects a president, vice president, and treasurer. The officers provide leadership in planning social functions, fundraising and charity events, promoting scholarly activities, and administering the association’s budget. The GPSG also serves as an advocate for student interests and a conduit to the faculty and administration for student concerns and ideas.

**Student Organizations**

*Graduate Social Work Association (GSWA)*

As an affiliate of the Graduate and Professional Student Government, the Graduate Social Work Association qualifies for funds for continuing education and research activities. The Graduate Social Work Association was chartered in Fall 2001 in accordance with the Graduate and Professional Student Government by-laws. The president of the Graduate Social Work Association serves as the representative from the School of Social Work to the GPSG organization. Student activity fees fund the organization’s programs and activities, including travel to professional conferences, speakers, and research activities. The GPSG sponsors an annual research fair with monetary awards to excelling students. Elections are held within the School of Social Work each spring for the following year’s officers. *All students are automatic members of the Graduate Social Work Association; there are no dues.* An appointed faculty member from the School of Social Work serves as the advisor to the Graduate Social Work Association.
Advocates for Change

Advocates for Change is a student-led graduate level student organization. Faculty serve as advisors but the organization is run by students. Advocates for Change began with a group of MSW students at UNC Charlotte in February 2015 as a student response to media reports and peer-reviewed research reports demonstrating inequitable treatment of disadvantaged and minority individuals by health, education, and law enforcement services in the region, state, and nation. According to its mission statement, Advocates for Change is “Master of Social Work and Master’s level students from other disciplines who are committed to providing services to the UNC Charlotte campus and Charlotte community...The Advocates for Change goal is to enhance the quality of life for oppressed and vulnerable populations through advocacy, human services delivery, and research.” The organization was formally recognized by the University’s Graduate and Professional Student Government in November 2015.

Phi Alpha Honor Society

Phi Alpha is an academic honor society for BSW and MSW students of excellence. Nu Theta, the UNC Charlotte chapter of Phi Alpha, was founded in 2005. Its purpose is to recognize and advance academic excellence and scholarship in social work practice. Membership eligibility is open to MSW students who have completed at least 12 credit hours toward the master’s degree; it is based on academic excellence (3.8 or higher GPA), leadership ability, a high standard of personal behavior, and dedication to the social work profession.

Student Academic Performance and Conduct Grievance Procedures

Academic and professional standards are essential to the existence of and growth of an academic community. Maintaining academic and professional standards is ultimately the responsibility of the instructional faculty but is shared by all members of the academic community. The School of Social Work supports the University in its efforts to:

- maintain an environment that supports and enhances the educational purpose of the University;
- protect the health, safety, welfare, and property of all persons in the University community;
- encourage appropriate standards of individual and group responsibility to the University community; and
- foster the personal, social, and ethical development of members of the University community.
Students in the School of Social Work must comply with academic policies set by the University and the student conduct codes set forth by the School of Social Work. Graduate students in the School of Social Work must also comply with academic policies set by the Graduate School.

When a concern arises around academic performance or student conduct, the School of Social Work follows University policies and procedures to reach a resolution. In absence of a related University policy, the School of Social Work follows its Multi-Step Resolution Process.

University Level Policies and Procedures

As indicated above, when a concern arises around academic performance or professional conduct, the School of Social Work reviews and follows University policies and procedures. A complete list of University policies can be found at: https://legal.uncc.edu/policies/university-policies.

Violations of the Code of Student Responsibility - Policy 406 and The Code of Student Academic Integrity warrant immediate action and are addressed through University procedures. Examples include, but are not limited to, egregious academic dishonesty (as defined by the instructor), sexual misconduct, acts of harm, illicit drug use, and theft. Acts of harm include harassment, intimidation, bullying, and injury. In such cases, the instructor will notify the Program Director immediately. University policies and procedures will be followed. The student’s standing in the program may be impacted by the resolution of the case. A temporary Compliance Plan may be developed until a resolution is reached at the university level.

School of Social Work Policies Regarding Student Conduct

MSW students are bound by two codes of student conduct as outlined below:

- The second is the National Association of Social Workers (NASW) Code of Ethics, which can be found at http://www.socialworkers.org/pubs/code/code.asp. It is the responsibility of all social work faculty to coach students regarding the NASW Code of Ethics. This coaching occurs through infusion of ethics throughout the program curriculum, formal and informal meetings with the student, course-specific policies, and assignments aligned with the MSW program curriculum map.

In addition, social work students must comply with course policies set by each course instructor. These policies should be presented in writing to the student in the course

Revised-7/17/18
syllabus at the beginning of the semester. Instructors are given wide latitude to set their own course policies on topics such as late work, attendance, or use of social media in the classroom.

School of Social Work Multi-Step Resolution Process

To promote student success, the School of Social Work has the following multi-step process for resolving academic performance and conduct concerns that are not addressed through University procedures. See the Field Education Manual for details about resolution of issues pertaining to field placement.

Step 1. Consultation with the Student: Instructors should work directly with the student to resolve academic performance and/or classroom conduct concerns using a problem-solving approach. A problem-solving approach means the instructor identifies a specific behavior of concern, communicates constructively and respectfully with the student about the specific concern, and, with the student’s input, develops a specific plan for resolving the concern. It is the instructor’s responsibility to document the concern, the details about the student meeting, and the proposed plan for resolving the concern. Faculty members are encouraged to inform students about available campus resources that can help them. Faculty members are also encouraged to inform students about the potential consequences of not resolving the concerns (i.e. - failing grade on an assignment or in the course).

Step 2. Consultation with the MSW Program Director:
If the concern remains unresolved after Step 1, the instructor may forward documentation about the initial meeting with the student to the MSW Program Director. The MSW Program Director will either suggest an alternative solution to the instructor to try out or schedule a meeting with the student to discuss the concern. In cases where an alternative solution is proposed, the instructor will communicate with the MSW Program Director about the outcome and, if the suggestion did not resolve the concern, the Program Director will schedule a meeting with the student. The instructor is welcome to attend the meeting between the student and the MSW Program Director. It is the MSW Program Director’s responsibility to document the concern, the details about the meeting with the student, and the proposed plan for resolving the concern. The MSW Program Director provides a copy of the written documentation to the instructor and the student within five (5) business days of the meeting with the student.

Step 3. Formal Review:
If the student concern is still unresolved after Step 2, the concern may go to a Formal Review. In a Formal Review, the MSW Program Director provides written documentation to the student and the School of Social Work Assistant Director about the concern and proposed resolutions. The MSW Program Director meets with the student and School of Social Work Assistant Director to formulate a formal
Compliance Plan, which sets specific expectations for student conduct, deadlines for compliance with these expectations, and consequences of noncompliance, which could include a recommendation to terminate the student’s enrollment in the program. The MSW Program Director provides a written copy of the formal Compliance Plan to all parties within five (5) business days of the meeting with the student. If the student does not adhere to the agreed upon plan, then the consequences outlined in the plan may result.

Exceptions to the Multi-Step Resolution Process

As indicated above, University policies and procedures take precedence over the Multi-Step Resolution process. Violations of the University-level Code of Student Responsibility - Policy 406 and The Code of Student Academic Integrity warrant immediate action and are addressed through University procedures. In addition, there may be some other student conduct issues that warrant immediate action (skipping Steps 1 and 2). It is within the purview of the MSW Program Director to proceed to an immediate Formal Review (Step 3) in such cases.

Special Note about Academic Dishonesty

Academic dishonesty includes cheating, fabrication, multiple submission, plagiarism, and complicity in academic dishonesty. Refer to the The Code of Student Academic Integrity for definitions of these terms. Course instructors determine whether they believe academic dishonesty has occurred. When the instructor believes academic dishonesty has occurred, University procedures are followed. However, the instructor might believe the student violated the policy on academic integrity unintentionally. In a case where a violation appears to be unintentional, the instructor can attempt to coach the student on how to avoid the problem in the future, rather than immediately reporting the violation. As part of the coaching process, the instructor can offer the student an opportunity to remedy the concern such as re-submitting work for a reduced grade. If the issue is not resolved through the coaching process, a pattern persists, or if the instructor believes the student intentionally committed academic dishonesty, then the instructor will follow the procedures outlined in University Policy #407 - http://legal.uncc.edu/policies/up-407.

Student Termination by the University

The University maintains the right to terminate a student’s enrollment in a course for a variety of reasons including, but not limited to: course schedule changes, course cancellation due to low enrollment, or the student’s non-fulfillment of course prerequisites, academic suspension, suspension for violation of Policy 406 - The Code of Student Responsibility, or suspension in violation of Policy 407 - The Code of Student Academic Integrity.
If the student’s enrollment at the University has been terminated, an automatic termination from the MSW Program also results.

The student may invoke University Policy 411 - Student Grievance Procedure, within seven (7) business days of the receipt of the written notice of termination from the School of Social Work. The notice can be found at: http://legal.uncc.edu/policies/up-411. Otherwise, the student’s termination is final.

**MSW Student Reinstatement after Suspension**

The [Graduate catalog](http://legal.uncc.edu/policies/up-411) includes the policies and rules that govern graduate studies at UNC Charlotte. It is updated annually.

A student who has been suspended from the Graduate School and/or a program of study may appeal his/her suspension. The student cannot continue in the program until he/she is reinstated. After notification of suspension is received, the student initiates the appeal procedure by submitting a “Suspension Appeal Form” to the MSW Program Director explaining any extenuating circumstances. The student must also include a plan for remedying academic and/or conduct concerns. The "Suspension Appeal Form" is available on the "[Forms](http://legal.uncc.edu/policies/up-411)" page of the Graduate School website.

The MSW Program Director will present the student’s Suspension Appeal Form to the MSW Admissions Committee for consideration. The Admissions Committee will be asked to support or deny support for reinstatement. The MSW Program Director will then forward the Suspension Appeal Form forward to the Graduate School with the committee’s recommendation regarding reinstatement. The Dean of the Graduate School makes the final decision on the suspension appeal and notifies the student of the decision in writing. If the Admissions Committee denies support for reinstatement, the Graduate School is unlikely to approve the request. Even if the Admissions Committee supports reinstatement, the final decision rests with the Graduate School, not the School of Social Work. If the Graduate School approves the request, the MSW Program will be responsible for overseeing the implementation of any remediation plan.

**Student-Initiated Grievance Procedures**

Students enrolled in the MSW Program have the right to redress grievances related to academic and other matters. Students are assured freedom from reprisals for bringing a grievance. The School of Social Work follows all University grievance procedures. The University’s Policy and Procedures for Student Grievances can be found at: [https://legal.uncc.edu/policies/up-411](https://legal.uncc.edu/policies/up-411).
University Policy 411 applies to alleged discrimination on the basis of race, color, religion, sex (including sexual orientation and gender identity and expression), age, national origin, or disability as well as problems arising in the relationship between a student and the University that are not governed by other specific grievance procedures (such as University Policy 406, Code of Student Responsibility, Chapter 8, Sexual Misconduct Complaint Procedures, University Policy 502, Sexual Harassment Policy and Grievance Procedures, and University Policy 410, Policy and Procedures for Student Appeals of Final Course Grades). Upon request from any student, the Office of the Dean of Students will provide guidance about the appropriate system for redress of a particular complaint.

A student may pursue a grievance if they believe that a member of the University community has violated his or her rights. (See University Policy 403, Student Appeals and Grievances.)

**Student Concerns about a Course Instructor**

Students might experience concerns related to a course instructor. In this case, students should follow University’s Policy and Procedures for Student Grievances using the link https://legal.uncc.edu/policies/up-411.

**Special Note about Sexual Harassment**

All students are required to abide by the UNC Charlotte Sexual Harassment Policy (https://legal.uncc.edu/policies/up-502), including the policy on Responsible Use of University Computing and Electronic Communication Resources (http://www.legal.uncc.edu/policies/ps66.html). Sexual harassment, as defined in the UNC Charlotte Sexual Harassment Policy, is prohibited, even when carried out through computers or other electronic communications systems, including course-based chat rooms or message boards. Please see the university policy on reporting sexual harassment and sexual misconduct at http://unccdso.uncc.edu/org/officeofstudentconduct/Sexual_Misconduct

Students who allege sexual harassment and sexual misconduct by their instructor, students, faculty, or staff are free to report and address this conduct through the various reporting methods available at the link provided above.

**Other Important University Policies**

**Nondiscrimination Policy**

The University of North Carolina at Charlotte affirms that its educational and employment decisions must be based on the abilities and qualifications of individuals and may not be based on irrelevant factors, including personal characteristics, that have no connection with academic abilities or job performance. Therefore, the University
prohibits discrimination and harassment in its educational and employment decisions and provides equal opportunities for all members of the University community and for all those seeking to join the University community.

The following factors may not form the basis for educational or employment-related decisions: race; color; religion, including belief and non-belief; sex, including but not limited to pregnancy, childbirth, or related medical condition, and parenting; sexual orientation; actual or perceived gender identity, including but not limited to gender expression, transition status (including but not limited to physical transition), transgender status, and gender nonconformity; age; national origin; physical or mental disability; political affiliation; veteran status; and genetic information.

In March 2016, the North Carolina General Assembly and Governor Pat McCrory enacted the Public Facilities Privacy and Security Act, also known as House Bill 2. This law replaces local nondiscrimination policies with a statewide policy. The University and the School of Social Work appreciate the serious concerns many have regarding this law. We want to assure every current and future member of our community that UNC Charlotte recognizes and values the inherent dignity and worth of each individual student, employee, and visitor.

Gender-Neutral Bathrooms

One of the requirements of the Public Facilities Privacy and Security Act is that persons must use the bathroom that reflects the gender on their birth certificate rather than their gender identity. UNC Charlotte will continue to label multiple-occupancy restrooms and changing facilities for single-sex use with appropriate signage. However, in 2014, UNC Charlotte undertook an initiative to provide single-occupancy, gender-neutral restrooms across campus to make selecting a restroom easier for all students, faculty, staff, and visitors, including transgender individuals, families, and individuals with disabilities who may have an attendant. A list of gender-neutral restrooms, along with maps to those restrooms and a list of additional planned restrooms, can be found at the link here. [http://legal.uncc.edu/restrooms](http://legal.uncc.edu/restrooms)

Religious Accommodation

It is the obligation of students to provide faculty with reasonable notice of the dates of religious observances on which they will be absent by submitting a Request for Religious Accommodation Form to their instructor prior to the census date for enrollment for a given semester [http://legal.uncc.edu/policies/ps-134.html](http://legal.uncc.edu/policies/ps-134.html). The census date for each semester (typically the tenth day of instruction) can be found in UNC Charlotte’s Academic Calendar [http://registrar.uncc.edu/calendars/calendar.htm](http://registrar.uncc.edu/calendars/calendar.htm).
